Revision 20-01-2026	Reviewed: EL	Approved: KV	

<p>Declaration by Applicant I hereby declare that the information supplied as supporting evidence to this application is valid and was carried out by me and I have no current health issues which would impair my ability to carry out GWT activities.</p>	<p>Verification by Employer or Referee* I hereby verify that the information given in this application is correct.</p>
<p>Applicant's signature</p> <p>X _____</p>	<p>Verifier's signature</p> <p>X _____</p>
<p>Date: _____</p>	<p>Date: _____</p>

* For self-employed applicants, the industrial experience can be attested by a referee. A referee can be certified to Level 2 or 3 in any NDT method; or a non-certified person approved by GULT. In case a referee is used please provide a copy of their valid Level 2 or 3 certification or contact GULT.

Please refer to the Renewal Letter for instructions on where to submit documentation and test files.

GULT Use Only	Y	N
Required continuous experience demonstrated		
5 valid data files submitted		
Log sheet submitted		
Visual acuity test certificates enclosed		
All form fields filled and signed by applicant		
Form verified by employer or referee		
If form verified by Referee, a copy of the valid L2 / L3 certification submitted		
Test files reviewed		
Application approved		

Appendix A. Test log sheet.

Please fill the test log sheet and submit as part of your application. Add pages as required. Alternatively, you can generate and submit a test log via WavePro software (refer to Renewal letter).
